

Cancelation Policy

At Evolving Mind, we understand that unforeseen circumstances can sometimes affect your ability to attend a scheduled psychiatric session. However, in order to provide the best possible care to all of our clients and minimize the impact of cancellations, we have implemented the following cancellation policy:

1. **Notice Period:**

- We kindly request a minimum of 48 hours' notice for any session cancellations or rescheduling.

2. **Late Cancellation or No-Show:**

- If you cancel your session with less than 48 hours' notice or do not attend your scheduled session without prior notice, you will be charged the full session fee.

3. **Cancellation Notification:**

- To cancel or reschedule a session, please contact our office as soon as possible via phone at [Phone Number] or by email at [Email Address].

4. **Exceptions:**

- We understand that emergencies and unexpected situations can occur. In such cases, we will consider waiving the cancellation fee on a case-by-case basis. Please contact us promptly to discuss your situation.

5. Multiple Late Cancellations:

- If you accumulate more than [Number] late cancellations or no-shows within a [Time Period], we may request prepayment for future sessions or reconsider your ongoing treatment plan.

6. Fairness to All Clients:

- Our goal is to provide the highest quality care to all of our clients. By adhering to this cancellation policy, you help us maintain a fair and efficient schedule, ensuring that others in need of psychiatric services receive timely attention as well.

We value your commitment to your mental health and appreciate your cooperation in minimizing the impact of canceled sessions. Our primary focus is your well-being, and we are here to support you in your journey to better mental health.

If you have any questions or need further clarification regarding this policy, please do not hesitate to reach out to us. We look forward to working with you and helping you achieve your mental health goals.

Sincerely

Megha Kalchuri Solanki
